

PWP2

Wall Pack and Flood Light

DESCRIPTION

The PWP2 Pantheon Wall Pack and Flood Light is a full cutoff LED luminaire perfect for retail centers, industrial parks, schools, office buildings, and medical facilities. Depending on mounting height, uniformity requirements, and desired footcandles, our wall packs are designed to replace metal halide lighting systems ranging from 150W to 400W delivering both effective lighting and significant cost savings. Available with numerous options for surge protection, photocell control, and microwave motion sensing, the PWP2 Pantheon Wall Pack is a versatile product that can meet your application needs.
